

(v) When a tariff publication that cancels a previous tariff publication does not include points of origin or destination, or rates, rules, or routes that were contained in the prior tariff publication, the new tariff publication must indicate the cancellation. If such omissions effect changes in charges or services, that fact must be indicated by the use of the symbols prescribed in paragraph (b)(10)(i) of this section.

(11) Tariff publications must be consecutively numbered.

(c) *Loose-leaf tariffs.* (1) Pages of loose-leaf tariffs must be consecutively numbered. Each page must show at the top of the page the name of the issuing carrier, the page number, and the FERC tariff number. Each page must show at the bottom of the page the issue date, the effective date, the name of the issuing officer or duly appointed official issuing the tariff, the complete street and mailing address of the carrier, and the name and phone number of the individual responsible for compiling the tariff publication.

(2) Changes and additions to loose-leaf tariffs must be made by reprinting the page upon which the change or addition is made, and designating the changed page as a revised page. For example: “First revised page 1 cancels Original page 1,” or “Second revised page 2 cancels First revised page 2.” When a revised title page is issued, the following notation must be shown:

Original tariff effective [*specify date*].

(3) When changes and additions require additional pages, the additional pages must be given the same number with a letter suffix. For example: “Original page 4-A,” or “Original page 4-B.” When, for example, “Original page 4-A” is changed, it must be done by issuing “First revised page 4-A,” which must cancel “Original page 4-A.”

(4) When a revised page is issued which omits rates or rules published on the page which it cancels, and such rates or rules are published on another page, the revised page must refer to the page on which the rates or rules will be found. Subsequently revised pages of the same number must omit the reference insofar as that particular matter is concerned.

(5) Additional pages to a loose-leaf tariff must be numbered beginning with the next successive page number after the last page and must be designated as “Original page —.”

(6) The loose-leaf tariff page that follows the title page is known as a “check sheet” and must be designated as “Original page 1.” When the original tariff is filed, the check sheet must show the number of pages contained in the tariff. For example: “Pages 1 to 150, inclusive, of this tariff are effective as of the date shown.” When pages are revised or added to the tariff, or when supplements are issued, the check sheet must be revised to list all currently effective revised pages and supplements. The list in numerical order of all added original and revised pages must follow the statement: “Original and revised pages and supplements as named below contain all changes from the original tariff that are in effect on the date hereof.” For example:

Page	Number of revision except as indicated.
3	5th.
5A	Original.
10	8th.
151	Original.

(7) The only loose-leaf tariff supplements that may be issued are adoption supplements, suspension supplements, and cancellation supplements.

§ 341.4 Filing requirements for amendments to tariffs.

(a) *Supplements to tariffs.* (1) Supplements are limited to one effective supplement per tariff, except for cancellation, postponement, adoption, correction, and suspension supplements.

(2) Item numbers that are canceled or amended must be identified and brought forward with the item title in the current supplement. Reissued items from prior supplements must be brought forward in the current supplement and referenced with the symbols in § 341.3(b)(10)(i). Cancellation of an item by supplement must be made by bringing forward the item number with an added capital letter suffix in alphabetical sequence. For example: “Item 445-A cancels Item 445.” If a canceled,

withdrawn, or expired item is subsequently reissued, it must be republished under the same item number with the next letter suffix.

(b) *Cancellation supplements.* Cancellation supplements must be filed when tariffs are canceled without reissue.

(c) *Postponement supplements.* Supplements postponing the effective date of pending tariff filings must be filed prior to the proposed effective date of the filing. A postponement supplement may not postpone the effective date for more than 30 days.

(d) *Adoption supplements.* A supplement adopting the tariff of another carrier must be filed to provide the notice required in § 341.6.

(e) *Correction supplements.* Correction supplements must be filed to correct typographical or clerical errors. Three correction supplements are permitted per tariff.

(f) *Suspension supplements.* A suspension supplement must be filed for each suspended tariff or suspended part of a tariff within 30 days of the issuance of a suspension order. The suspension supplement must be served on all subscribers. The supplement must include the date it is issued, a reproduction of the ordering paragraphs of the suspension order, a statement that the tariff or portion of the tariff was suspended until the date stated in the suspension order, a reference to the docket number under which the suspension order was issued, and a statement that the previous tariff publication remains in effect.

§ 341.5 Cancellation of tariffs.

Carriers must cancel prior tariffs when the tariffs are reissued. When a tariff is canceled in whole or in part by a supplement, the supplement must show where the rates will be found thereafter or what rates will thereafter apply. If the service in connection with the tariff is no longer in interstate commerce, the tariff publication must so state.

§ 341.6 Adoption rule.

(a) *Change in name of carrier or ownership of property.* The carrier must notify the Commission when there is:

(1) A change in the legal name of the carrier;

(2) A transfer of all of the carrier's properties; or

(3) A change in ownership of only a portion of the carrier's property.

(b) *Notification.* The carrier must provide notice of these occurrences by tariff publication, filed as soon as possible but no later than 30 days following such occurrence. The filing of adoption notices and adoption supplements requires no notice period.

(c) *Complete adoption.* (1) When a carrier changes its legal name, or when ownership of all a carrier's properties is transferred, the adopting carrier must file and post an adoption notice, numbered in its own FERC Tariff series, reading as follows:

The [legal name of adopting carrier] hereby adopts and makes its own all tariff publications of [name of adopted carrier], effective [date].

(2) The adopting carrier must concurrently file a consecutively numbered supplement to each of the adopted carrier's tariffs covered by the adoption notice, reading as follows:

Effective [date shown on adoption notice] this tariff publication became the tariff of the [legal name of adopting carrier] as per its adoption notice FERC No. [number].

(3) The supplements issued under this section may contain no other matter, and must refer to § 341.6.

(4) The adopting carrier must transfer into its FERC Tariff series the rates applying locally on the adopted lines. The transfer must be made within 30 days of the filing of the adoption notices and supplements. The adopting carrier must give 30 days notice as provided for in § 341.2(b).

(d) *Partial adoption.* (1) When the ownership of a portion of a carrier's properties is transferred to another carrier the adopting carrier must file and post an adoption notice, numbered in its own FERC Tariff series, containing the statement as follows:

The [legal name of adopting carrier] hereby adopts and makes its own, the tariffs of [legal name of former owner] for transportation movements [describe by FERC tariff number, origin, and destination points], effective [date of adoption].
